To Whom It May Concern:

In February 2011, the Town of Lanesborough had an auction for properties that had gone into tax possession. Collar City Auctions was hired, and did an excellent job. They did all the advertising, posting of signs on the properties to be auctioned, as well as posting the information on their web site. Randy Passonno and his staff were very professional, and the Town of Lanesborough sold all properties in the auction.

I highly recommend Collar City Auctions. If you need to contact me, please feel free to do so.

Sincerely,

*Nancy Giardina*
